

## BUILDING PROTECTION FROM DAV NORDIC

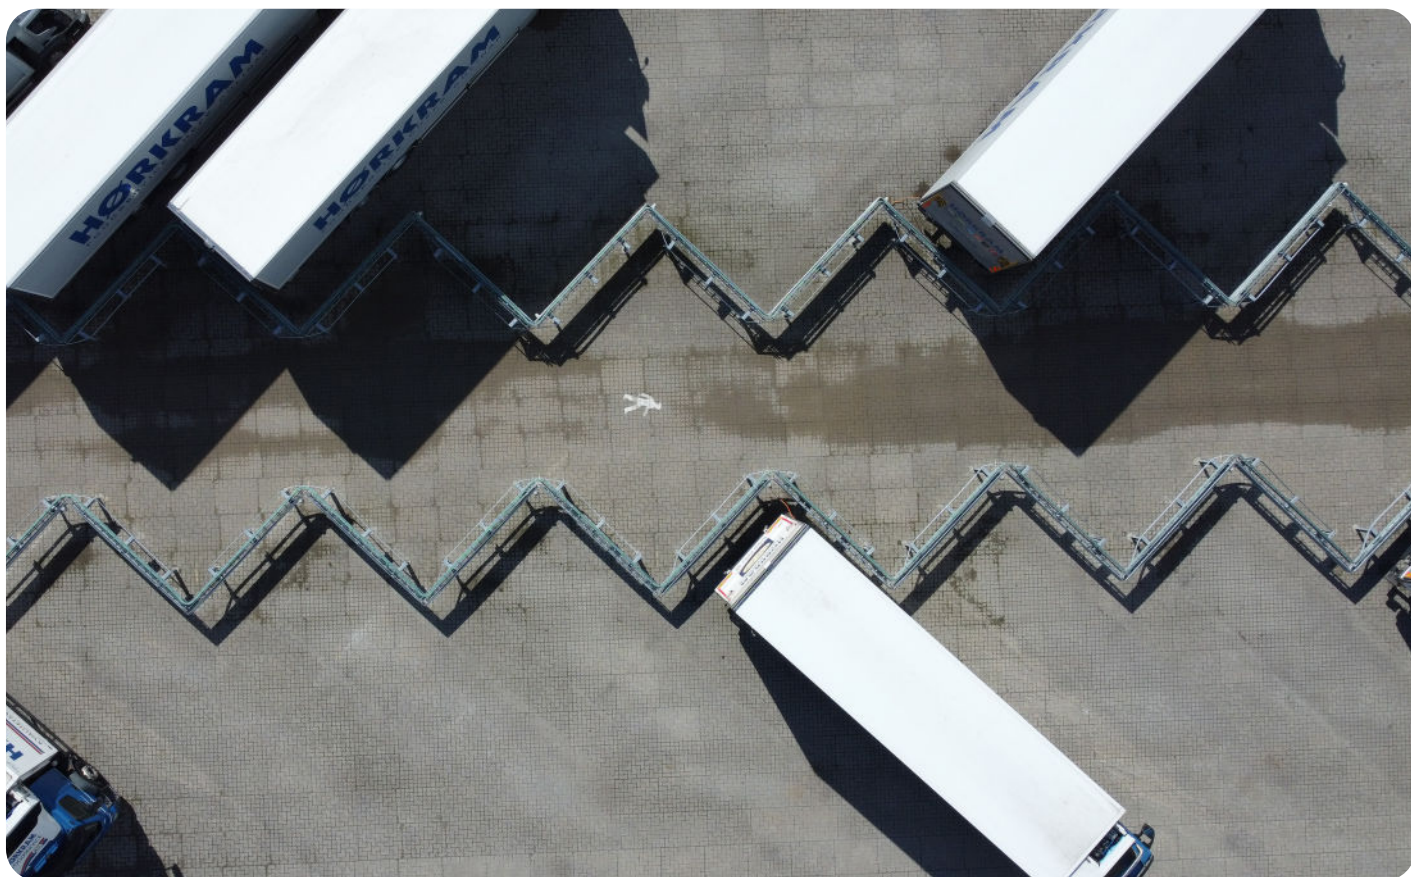

DAV NORDIC supplies building protection / safety barriers for securing façades, gates, entrances, oil tanks, machinery installations, etc. We have many components in stock, and special components can be manufactured quickly.

Building protection for securing, among other things:

- Façades and glass sections
- Vital components such as oil tanks, transformers, electrical installations, etc.
- Racking systems in warehouses
- Gates and entrances in buildings
- Machinery installations
